Additional Local Rules are detailed below;

Additional Local Rules

1. Flag stick

Players are required to leave the flagstick in the hole at all times and not to touch it.

2. Holes

For the purposes of safety, Moor Park GC has made the decision to modify the depth of the hole to allow players to remove the ball without touching the flagstick. The ball is considered holed if any part of the ball is below the surface of the putting green, even if not lodged against the flagstick.

3. Preferred lies in bunkers

A player may place a ball in the bunker within six inches of the original spot and not nearer to the hole than that spot. The area cannot be smoothed before placing.

4. Immovable Obstructions – Red and Yellow Stakes

All red and yellow stakes on the course are treated as immovable obstructions from which free relief is allowed under Rule 16.1. Relief is not allowed to be taken under Rule 15.2.

5. Preferred Lies

When a player's ball lies in a part of the general area cut to fairway height or less, the player may take free relief up to six inches, once by placing the original ball or another ball in and playing it from this relief area:

Unless otherwise noted, the penalty for breach of a Local Rule is the *General Penalty*.

The *General Penalty* is loss of hole in *match play* or two penalty strokes in *stroke play*.
